declared as weekly half-holidays instead of Saturdays, in the Urdu Primary Boys' and Girls' Schools in their respective jurisdictions with the exception of such schools as utilise half-holidays on shandy days. The recommendation is sanctioned.

2. The existing practice in the Kadur and Kolar Districts and in the Mysore City Municipal area will continue.

H. V. RAMASVAMI,
Secretary to Government,
General Department.

PUBLIC WORKS SECRETARIAT

Acquisition proceedings in the case of Krishnarajasagara Dam Works.

READ—

(1) Government Order No. 1430-31—K. S. S. 1882-83, dated 4—11th March 1932, conveying sanction to the term of the Special Land Acquisition Officer, Krishnarajasagara Works, and his establishment being extended up to the end of June 1933.

(2) Government Order No. 1005-1006—K. S. S. 4376-77, dated 27th January 1933, conveying sanction to the revision of establishment of the Special Land Acquisition Office, Krishnarajasagara Works.

(3) Letter No. C. 3283—32-33, dated 25th March 1933, from the Revenue Commissioner in Mysore, recommending the continuance of the Special Land Acquisition Office for a further period of two years, and the acquisition of the properties coming under submersion at plus 124′ contour of Krishnarajasagara simultaneously with that of plus 120′ contour.

(4) Note No. 287—K. S. S., dated 3rd April 1933, by the Secretary to Government, Krishnarajasagara Works.

ORDER NO. 1583-89—K. S. S. 6862-68, DATED THE 2ND JUNE 1933.

The Revenue Commissioner in Mysore has, in his letter No. C. 3283—32-33, dated 25th March 1933, reported that the question of continuance or otherwise of the Special Land Acquisition Office, Krishnarajasagara Works, and of the acquisition work connected with the Krishnarajasagara Works beyond 30th June 1933, was examined by the Krishnarajasagara Land Compensation Committee at their meeting held on 7th March 1933 and that they are of opinion that it would be advantageous both to Government and to the expropriated raiyats to proceed with the acquisition of lands coming under submersion at plus 124′ contour of Krishnarajasagara and complete the whole work by June 1935.

2. As the reservoir storage at plus 120′ is sufficient to meet the irrigation requirements for several years to come, Government consider that it is not necessary to raise the storage in the reservoir above plus 120′ for the present, and that there is no need for immediate acquisition of the lands situated above plus 120′ contour. Government are, therefore, pleased to direct that the acquisition proceedings be limited for the present to plus 120′ contour of Krishnarajasagara and the work completed by the end of December 1933.

3. Sanction is accordingly accorded to the continuance of the Special Land Acquisition Officer, Krishnarajasagara Works, till the end of December 1933, with the establishment as detailed in the statement attached.

4. Separate orders will issue in the matter of relieving the Special Land Acquisition Officer, Krishnarajasagara Works, of the duties of Personal Assistant to the Deputy Commissioner, Mysore District, to enable him to bring to completion the acquisition work up to plus 120′ contour within the period stipulated above.

S. SRINIVASA AIYAR,
Secretary to Government,
Krishnarajasagara Works.
